

PUBLIC NOTICE

**PRINCE WILLIAM COUNTY SERVICE AUTHORITY
BOARD OF DIRECTORS
Thursday, June 28, 2012, 7:00 p.m.
4 County Complex Court
Prince William, Virginia 22192**

In November 2015, the permit to operate the Prince William County Service Authority's (Service Authority) Occoquan Forest Water Reclamation Facility (WRF) will expire. The Service Authority will be required to either upgrade the plant or build a sewer force main to pump over sewage from the Occoquan Forest WRF to the H. L. Mooney Advanced Water Reclamation Facility. The Service Authority is seeking public input before deciding how to proceed.

The Service Authority will hold a public comment meeting on Thursday, June 28, 2012, at 7:00 p.m. at the Service Authority's headquarters located at the address indicated above. Those who are unable to attend are encouraged to submit their written comments to the General Manager at the following address: Prince William County Service Authority, Attention: Public Comment-Occoquan Forest Water Reclamation Facility, PO Box 2266, Woodbridge, Virginia 22195-2266.

The Occoquan Forest Preliminary Engineering Report (PER) may be viewed on the Service Authority's website and at the following public libraries: Chinn Park Regional Library, Central Community Library, Bull Run Regional Library, and Potomac Community Library.

All interested persons are invited to attend and express their views at the designated place and time. Additional details are available on the Service Authority's website at www.pwcsa.org, or by calling the Service Authority at (703) 335-7900, Monday through Friday between 8:30 a.m. – 5:00 p.m.
