Cc: Members of the Prince William Board of Supervisors

Dear Chair Wheeler,

Thank you for your leadership and service to Prince William County during these unprecedented times. Over the past week my office has received over 500 emails and numerous phone calls from constituents concerning the data center project. I respectfully request that we bring in the Virginia Department of Environmental Quality to evaluate this plan to ensure it is in compliance and meets their environmental standards. I would encourage following their recommendations on this project to ensure we are doing all we can to protect our shared environment. Thank you for your consideration and please do not hesitate to reach out to my office if we can be of assistance.

Respectfully,

A handwritten signature in black ink that reads "John J. Bell".
